APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the place of use of the waters of the Truckee and Carson Rivers as set forth under the Newlands Reclamation Project rights in the Truckee and Carson River final decrees is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

The duty under this temporary permit is further conditioned upon possible modification by the United States District Court of Nevada in pending litigation.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on November 15, 1994, at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.39 cubic feet per second acre-foot as decreed., but not to exceed 58.50

Work must be prosecuted with reasonable diligence and be completed on or before _____

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before_____

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed.....

Proof of beneficial use filed.....
